Dear Ms Guidotti:

RE: Response to April 7, 2007 letter to Solano County Citizen's Advisory  
Committee

In your April 7, 2007 letter to the Citizen's Advisory Committee you requested, under item II Gap Analysis Recommendations, that the County provide you in writing when the revised solid waste management strategy with current policies and recommendations from the Integrated Waste Management Plan will be brought back to the Citizen's Advisory Committee and public for review and comment. Under our current schedule, preliminary draft policies on solid waste management will be reviewed by the Citizen's Advisory Committee at their June 25, 2007 meeting.

Sincerely,

Harry Englebright
