MEMORANDUM:

TO: General Plan Citizens Advisory Committee

FROM: Harry Englebright

DATE: September 10, 2007

RE: Economic Development, Water Resources and Water Quality, Air Quality, and Noise Preliminary Goals, Policies and Programs

Attached is a copy of the Economic Development, Water Resources and Water Quality, and Air Quality and Noise Workbooks that reflect the comments received from the Citizens Advisory Committee (CAC), Technical Advisory Committee (TAC), Planning Commission and Board of Supervisors on the preliminary goals, polices, and potential implementation programs. The comments and suggested changes are highlighted with new language underlined and language to be deleted with strikeout. Each of the proposed revisions or comments is followed by one of the following:

- (CAC) for recommendations from the General Plan Citizens Advisory Committee;
- (TAC) for recommendations from the Technical Advisory Committee;
- (PC) for recommendations from the Planning Commission; and
- (BS) for recommendations from the Board of Supervisors.

Staff and the Consultants will incorporated the recommended revisions and comments into a revised set of goals, policies and programs for review by the CAC as part of the initial draft General Plan.
