CITIZENS ADVISORY COMMITTEE SCHEDULE Revised July 2007 to December 2007

The following is the revised meeting schedule by topics for the Citizens Advisory Committee from July 2007 to December 2007.

Please note, schedule for reviewing the Land Use Alternatives for the geographic areas and Collinsville and Cordelia Special Study areas has been changed under this revised schedule in order to accommodate the discussion on Public Facilities and Services Goals, Policies and Programs and Land Use Classifications that was continued to the July 9, 2007 meeting.
