**Report of CAC members voting No:**

CAC Member Person: Area is in Vacaville SOI and I won't challenge that.

CAC Member Fortney: Agrees with Person's comments.

CAC Member Dawson: Believes the General Plan should show where the Sphere of Influence is and what's going to happen.

CAC Member Anderson: Leisure Town Road, going north-south, during the early days was a good stop, good place to stop the City of Vacaville. I would support stopping it on Leisure Town.
