Report of CAC members voting No:

CAC Members West & Russo : See no benefits on the General Plan and would burden the property owners with the overlay designation on their land

CAC Member Person: Concept needs further discussion

CAC Member Rapanich: Don't like putting the overlay on top of a person's property

CAC Member Dawson: Resource Conservation Overlay districts should be determined by other entities

CAC Member Fortney: Agree with West, Russo, Person, Rapanich and Dawson statements that it could be hindrance to property owners.
